COMMENTS ON THE EXAMINER'S REASONS FOR ALLOWANCE

Sir:

Applicants submit the following comments on the Examiner's statement of reasons for allowance in the Notice of Allowance and Fee(s) Due dated February 6, 2008.

On pages 2-3, it states that "the prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other limitations in the claims), wherein the print additional information included in the television broadcasting data includes at least one of information indicating a print sheet size of the printing data, information indicating the number of the print sheets of the printing data, and information indicating the type of the printing data **said print controlling unit does not output the print and the print additional information for notifying a user of an attribute of the printing data prior to image data being printed**, as set forth in claim(s) 69 and 75."

However, the bolded text above was deleted from the claims in the November 20, 2007 Amendment. Based on a telephone discussion with the Examiner, it is understood that this text was inadvertently included in the comments on reasons for allowance.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
